Selling Used Equipment to B&H

Selling your equipment to B&H is simple and convenient.

Let us know what you have and what condition it's in, and we'll make you an offer. After accepting our quote and shipping your equipment to us, our technicians will check it out and give us the O.K. We will then send you a check or store credit (whichever you prefer). The price we pay has no bearing on whether or not you are buying anything else from us.

We buy one piece or your entire studio. We do not accept consignments, we purchase outright.

How to sell your Equipment:

Fill out and submit the seller's form with information about your gear. You will receive an e-mail response from one of our buyers with a price quote and a quote number. Or call to speak directly with one of our professional buyers regarding your transaction. You will be given a quote number. The price we quote is valid for up to 14 days after you receive your e-mail.

Access the seller's form, go to <http://www.bhphotovideo.com/used> and click on "get a price quote."

To speak with a buyer or sales associate, call us at 800-686 0955

You can bring your items to our SuperStore:

366 West 34th Street
New York, NY 10001, USA
Between 8th and 9th Avenue

Or Ship Your Equipment to B&H:

Send us your gear with your quote number on the box via UPS, U.S. Mail, or delivery services. Be sure to pack your items securely and insure them fully.
