

## OS X lion and Lion Server Up-To-Date Program

If you've purchased a qualifying computer that does not include OS X Lion, you can upgrade to Lion free of charge.

Customers who purchase a qualifying new Mac Computer from the Apple Authorized Reseller after July 21, 2011 that does not include OS X Lion can upgrade to OS X Lion for free.

Follow one of these links to participate in the program. Remember your completed order must be entered within 30 days of the date of your purchase of a qualifying computer. [Subject to terms and conditions.](#)

[Redeem from the Apple Online Store](http://www.apple.com/macosex/uptodate/) at <http://www.apple.com/macosex/uptodate/>

If you cannot submit an order through the Apple Online Store, Follow this link to participate in the program. <https://uptodate.apple.com/us/uptodate/macosex/>
