All prices are suggested retail prices.
+ Only available on BluetoothTM integrated models

Extended Service Plans
Your customers depend on you to provide solutions for their computing needs. Their connection to friends, family and associates is vital, and you recommend VAIOR computers to keep that connection alive. Now with Extended Service Plans for VAIOR PCs, you can offer your customers a solution to minimize potential downtime. Extended Service provides high quality, dependable and convenient repair service for VAIOR Notebook computers.

VAIO Notebook Onsite Extended Service with Accidental Damage from Handling*
This plan will repair eligible parts in your Sony product if and when it malfunctions due to breakdowns that occur from handling the product under normal operating conditions. (Not available for UX or TZ series)
PCGA-2SYLPA 2 year coverage
PCGA-3SYLPA 3 year coverage
PCGA-4SYLPA 4 year coverage

VAIO Notebook Onsite Extended Service*
Designed for VAIOR Notebooks, providing service from the day the product is purchased. If the product is within 50 miles of a Sony authorized service provider, service is performed onsite. Otherwise, coverage includes all shipping and depot costs. (Not available for UX or TZ series)
PCGA-2SYLPE 2 year coverage
VGP-3SYLPE 3 year coverage
PCGA-3SYLPE 2 year coverage
PCGA-4SYLPE 3 year coverage

VAIO Notebook Express Ship Extended Service with Accidental Damage from Handling*
Designed to extend the original Sony warranty on VAIOR Notebooks providing Express Ship service from the day the product is purchased. The plan will also repair or replace eligible parts in your Sony product when it malfunctions due to breakdowns that occur from handling the product under normal operating conditions.
VGP-2SYLPAD 2 year coverage
VGP-3SYLPAD 3 year coverage
VGP-4SYLPAD 4 year coverage
