

HP Color LaserJet CP1215 Printer

Overview

Affordably integrate color into the office with the HP Color LaserJet CP1215 Printer, HP's most affordable Color LaserJet. Get the benefits of color printing, while printing black-and-white documents for the same price as on HP's monochrome LaserJet printers.⁽¹⁾ Featuring the latest formulated [HP ColorSphere toner](#), the HP Color LaserJet CP1215 Printer produces high-quality documents with a wider range of colors, higher gloss and improved business photo resolution than previous generations. Home offices and small to medium-size businesses will enjoy fast print speeds, Instant-on Technology⁽²⁾ and a highly compact design.

Key features and benefits

- Enjoy the advantages of color, plus get black and white printing at the same price as on monochrome HP LaserJet printers.⁽¹⁾
- HP's newest ColorSphere toner formulation and ImageREt 2400 enable vibrant, bold colors, clean lines and photo-quality resolution.
- Conveniently save desktop space with the compact HP Color LaserJet CP1215 Printer.
- Quickly produce marketing materials and business documents at fast print speeds up to 12 pages per minute (ppm) in black and 8 ppm in color.⁽³⁾
- Easily create impressive materials on different media types with a single click using the simple print driver interface – select from a collection of pre-configured printing shortcuts that include settings for envelopes, cardstock, glossy paper and more.
- Conserve energy and decrease wait time with HP's Instant-on Technology, which uses 50 percent less energy than traditional fusing and prints faster from PowerSave mode.⁽²⁾
- Increase productivity with a 125-sheet output bin and a 150-sheet multipurpose input tray for large print jobs.
- Perform complex tasks quickly with a powerful 264 MHz processor and 16 MB device memory.
- Printer includes pre-installed introductory print cartridges that yield approximately 750 pages of color and 750 pages black.⁽⁴⁾
- Create print-shop quality documents without leaving the office using HP specialty or business publishing papers.
- Use new "Shop for Supplies" software that ships with the HP Color LaserJet CP1215 Printer to conveniently order Original HP print cartridges and papers through HP

Estimated U.S. street price is \$299.

The HP Color LaserJet CP1215 Printer is expected to be available April 1 for purchase worldwide.

⁽¹⁾ Compared to HP LaserJet P1505 printer (single function) and LaserJet M1522 MFP/ M1120 MFP. Assuming customer is printing at least 30 percent of total pages in color with content similar to the color ISO/IEC 19798 test suite (www.iso.org/jtc1/sc28) and overall average job length of three pages. Yields established using ISO/IEC test standards. Actual yields and costs vary considerably depending on images printed, number of color pages printed and other factors.

⁽²⁾ Instant-on Technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of PowerSave mode so the print job is done sooner.

⁽³⁾ Exact speed varies depending on system configuration, software application, driver and document complexity.

⁽⁴⁾ Includes introductory print cartridges (average continuous composite cyan/yellow/magenta cartridge yield 750 pages and average continuous black cartridge yield 750 pages). Refresh the printing system with Original HP CB540-43A replacement print cartridges (average continuous composite cyan/yellow/magenta cartridge yield 1,400 standard pages and average continuous black cartridge yield 2,200 standard pages). Declared yield values for replacement cartridges in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors. More information is available at www.hp.com/go/learnaboutsupplies.

⁽⁵⁾ HP SureSupply program features and availability may vary by country. More information is available at www.hp.com/learn/suresupply.

⁽⁶⁾ Estimated U.S. street prices. Actual prices may vary.
