

Perfect for indoor or outdoor training, the wireless one-piece W-Series MP3

Player's unique spiral form design comfortably stays put and out of the way while you work out. No more tangled headphones. A moisture-resistant seal keeps sweat out, while you enjoy true-to-life, deep bass sound. So you can reach your personal best.

Bullets

- One-piece wearable music player for wire-free workouts
- Water-resistant³ design holds up during intense workouts
- Drag & drop from iTunes® (PC) or Windows® Media Player
- Compact design with 4 GB internal memory²
- 3-min quick charge = up to 60-min of battery life¹
- Easy navigation of songs & folders
- Enjoy playlist compatibility (PC) & shuffle mode
- Crystal clear sound and deep bass
- ZAPPIN™ search plays about 4 or 15-second music clips
- USB cable, holder and S/M/L ear-buds included

Features

Wearable and Wire-free

This one-piece music player's unique band comfortably floats on the back of your neck, allowing you to be wire-free, hands-free, and without distraction whether you're at the gym or outdoors working out.

Water-resistant³

The water resistant design is IPx5 rated and holds up to intense workouts.

Drag, drop and go

With a Walkman player, you are never tied to just one music service. Just drag and drop MP3s from iTunes® for Windows®, Windows® Media Player or Internet Explorer® and enjoy. Now that's freedom.

Storage Capacity

The NWZ-W263 series can store hours of music thanks to the internal 4 GB memory².

Quick charge battery

Use the included USB cable to get up to 60 minutes of use on just 3 minutes of charge¹. With an impressive total battery life of up to 8 hours on a full charge¹, the NWZ-W263 is ready when you are.

Navigate your song library

Getting around in your music is simple with the rocker switch. A quick tap changes songs and a tap and hold changes folders while in all play mode. In playlist mode a quick tap changes songs and a tap and hold changes the playlist.

Playlist compatible

Create your favorite playlists in iTunes® for Windows® or Windows Media Player and drag them to the Walkman® player. Use shuffle mode to mix it up.

High Quality Sound

Exclusive Sony Clear Audio Technologies – Clear Stereo and Clear Bass Audio Technologies for deeper, richer sound.

Music to match your pace

Find the perfect music for the moment using the ZAPPIN™ search feature, allowing you to easily navigate through your song collection by playing back main melodies.

----------------------	---

1. Actual battery life may vary based on product settings, usage patterns and environmental conditions. Battery capacity decreases over time and use.

2. 1 GB equals 1 billion bytes, a portion of which is used for data management functions.

3. Water-resistant certified to the IPX5 standard.
