

Heavy Duty

Microphone Table Clamp

CLHD-3

Owner's Manual

Thank you for choosing Auray.

The Auray CLHD-3 heavy-duty steel table clamp will securely mount a microphone, shock mount, or gooseneck to any desk, table, or flat surface up to 3.75 inches thick. The 5/8-inch stud comes with a star nut to snug up a microphone once it's attached. The included 5/8- to 3/8-inch adapter adds a stable and secure mount for any device with a 3/8-16 mounting socket, like a ballhead or camcorder. Neoprene pads assure the clamp will not scratch the finish on a desk or polished surface.

Precautions

- Please read and follow these instructions, and keep this manual in a safe place.
- Handle the unit with care.
- Clean the unit with only a soft, dry cloth.
- Make sure everything is secure before proceeding.
- Make sure the item is intact and that there are no missing parts.
- All images are for illustrative purposes only.
