

PTZ Fly

With Blue Pill Inside

Pan, tilt and rotate the joystick to control your cameras.

The superb OLED displays clearly show what camera settings you control and which preset you recall.

Customize it with a Hall Effect joystick.

SKAARHOJ Universal Controllers supports more than 120 different devices, and counting! Check out our website's "Device Core" section, to see what can be controlled at <https://www.skaarhoj.com/support/device-cores>. The flexible User Configuration makes it possible to assign and add the functionality you need from the controller. All controllers are IP-based, and can have Remote Control with PoE. All SKAARHOJ products are designed and built in Denmark.
