

PRODUCT DESCRIPTION

LitePad HO+ is a slim profile, edge-lit LED light source. At only 1/3" (a third of an inch) thick, LitePad HO+ is able to fit in places where conventional light sources will not. LitePad HO+ produces a soft quality of light that is easy on the eyes and runs at cool temperatures. Available in eight standard sizes, LitePad HO+ has LEDs on all four sides of the perimeter for maximum brightness. An interior connector provides a solid power connection directly on the LitePad itself. Available in both daylight and tungsten color temperatures, LitePad HO+ can fit a wide variety of applications.

SIZES

LitePad HO+ Daylight

290403060120	LitePad 3x6 HO+ Daylight
290403120120	LitePad 3x12 HO+ Daylight
