Paragraph (Retail)

Samsung's Ultra-WQHD Monitor with a 34" 1000R curved display surrounds you with a 21:9 aspect ratio to maximize your screen's real estate. Featuring Thunderbolt™ 4 connectivity and multiple ports, you can power your devices while transmitting data. Experience 1 billion vivid colors with HDR10, providing near limitless hues, with darker darks and brighter brights. Built-in speakers minimize connections and free up desk space, while 100Hz refresh rate and AMD FreeSync™ keep the screen smooth across all applications and diminish screen stuttering and image tearing. With KVM Switch, Easy Setting Box, Picture-By-Picture, and Picture-In-Picture, you can play games while connecting with friends, watching movies, or working on projects. The ergonomically designed height-adjustable monitor creates a customized, comfortable environment in which to work and play, and TÜV-certified technology reduces eye strain.
