

KICKBOARD

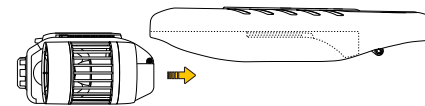

C1 Water Scooter Accessories

Installation manual

STEP 1

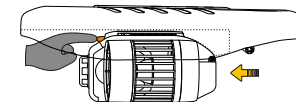

Align the kickboard slot with the top rail of the main unit, slide it until you hear a "click" sound to install it in place.

将主机顶部轨道对准浮板滑槽，滑入直到听到“咔哒”声安装到位。

To remove the kickboard, press the orange button located between the main unit and the kickboard, and slide the control handle out in the opposite direction.

如要取下主机，用手按住主机和浮板之间的橙色推钮，反向推出主机。

STEP 2

Power on the main unit (see the Main Unit manual). Simultaneously press the left and right buttons on the kickboard to start the scooter. Release any button the scooter will stop.

打开主机电源（参见主机使用说明书）。同时按下浮板上的左右按钮即可启动推进器。松开任意按钮，推进器停止。
