FH-77-N

77MM
ADAPTER RING

for Sensei Pro FH-150-14M Filter Holder

User Manual

Thank you for choosing Sensei Pro

The Sensei FH-77-N is an adapter ring for the Sensei FH-150-14M filter holder. It expands the capabilities of the filter holder by providing compatibility with any 77mm diameter lens and can be used with non-fisheye lenses as wide as 10mm for crop-sensor cameras and 16mm on full-frame cameras.

Precision machining of the durable anodized aluminum ring matches the lens threads assuring trouble-free attachment to any 77mm lens. The adapter ring features a layer of foam padding for a snug fit and to prevent metal-on-metal contact with the filter holder.

Instructions

Attaching the Ring to the Lens

1. Align the adapter ring with the lens so that the branding faces the camera.
2. Screw the ring onto the lens.

Attaching the ring to the FH-150-14M

1. Place the filter holder on a flat surface so that the lens mount is facing up.
2. Loosen the locking knobs on either side of the holder.

3. With the filter holder still on the flat surface, place the lens down into the holder. Align the holder and the lens by lining up the top of the lens and the holder's Sensei Pro logo.

4. Securely tighten the two locking knobs simultaneously.

Note: To ensure the lens is centered in the holder, make sure the locking knobs are applying equal tension to the lens on either side.

One-Year Limited Warranty

This SENSEI product is warranted to the original purchaser to be free from defects in materials and workmanship under normal consumer use for a period of one (1) year from the original purchase date or thirty (30) days after replacement, whichever occurs later. The warranty provider's responsibility with respect to this limited warranty shall be limited solely to repair or replacement, at the provider's discretion, of any product that fails during normal use of this product in its intended manner and in its intended environment. Inoperability of the product or part(s) shall be determined by the warranty provider. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover damage or defect caused by misuse, neglect, accident, alteration, abuse, improper installation or maintenance.
