

PULSE2

Portable Bluetooth Speaker

Sound you can see.

Elevate your music experience to another dimension with the JBL Pulse 2, a portable Bluetooth speaker that offers sensational sound with an interactive light show. Bring your music to life with glowing, multi-coloured visuals and transform wherever you are into a party. Take full control of your Pulse 2 light show using JBL Prism color sensor lens. Just point and shoot the lens at the color you want, and watch the Pulse 2 amplify the colors of life. The splashproof design enables the Pulse 2 to light up any stage or show with high-quality stereo sound for up to 10 hours of playtime, thanks to its built-in 6000mAh rechargeable Li-ion battery. Pulse 2 also features a noise and echo cancelling speakerphone for crystal clear calls, and JBL Connect technology that can wirelessly link multiple JBL Connect enabled speakers together to amplify the listening experience. Customize your light show experience and configure your JBL Connect settings, all at the tip of your fingers with the JBL Connect app.

Features and Benefits

Wireless Bluetooth Streaming

Wirelessly connect up to 3 smartphones or tablets to the speaker and take turns playing music with sensational sound.

6000mAh Rechargeable Battery

Built-in rechargeable Li-ion battery supports up to 10 hours of playtime with music and light show.

Speakerphone

Take calls from your speaker with a touch of a button – crystal clear thanks to the noise and echo cancelling speakerphone.

Light Show

JBL Pulse 2's customizable light show visualizes your favorite tracks or sets the atmosphere using its ambient lighting.

Splashproof

Splashproof means no more worrying about rain or spills; you can even clean it with running tap water. Just don't submerge it.

JBL Connect

Build your own ecosystem by connecting multiple JBL Connect enabled speakers together to amplify the listening experience. Radiators demonstrate just how powerful your speakers are.

JBL Bass Radiator

Hear the bass, feel the bass, see the bass. Dual external passive radiators demonstrate just how powerful your speakers are.

JBL Prism

Take full control of your Pulse 2 light show using JBL Prism color sensor lens. Just point and shoot the lens at the color you want, and watch the Pulse 2 amplify the colors of life.

JBL Connect app

Customize your light show experience and configure your JBL Connect settings, all at the tip of your fingers with the JBL Connect app.
