**Ruggard**

## **TrakLock**

TSA Accepted Lock  
with Apple Find My

## **THANK YOU FOR CHOOSING RUGGARD.**

The Ruggard TrakLock keeps your luggage safe and secure while you travel. You can track your bags and personal items using Apple® Find My® technology so you can view and identify the location on your iPhone®, iPad®, Mac® or Apple Watch®.

## **SUPPORTED OPERATING SYSTEMS**

iOS, iPadOS 14.5 or later

## **IP RATING**

IP65 water resistance

# OVERVIEW

1. Dials

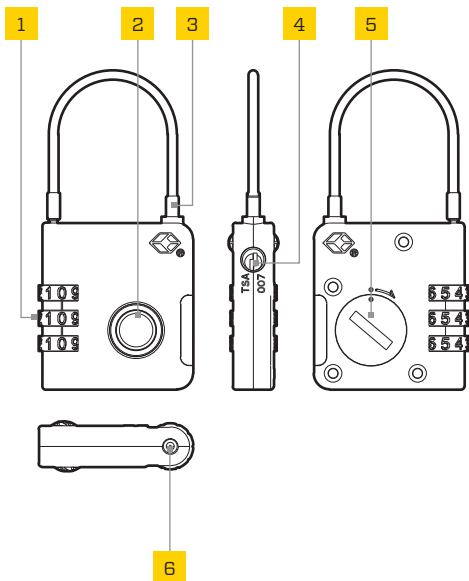

2. Power button

3. Clasp

4. TSA key

5. Battery cap

6. Set button

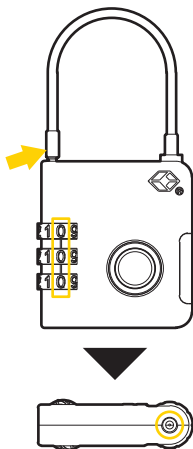

## SETTING THE 3-DIGIT CODE

The default combination on this lock is '000'. For security reasons, please change the combination code before use.

**1.** Set the combination to '000' and slide the clasp out of the lock.

**2.** Use a small, pointed object like a pen to push and hold the set button and rotate the dials to set the new code

**3.** Release the set button and insert the clasp into the lock.

**4.** Scramble the number dials for security.

## POWERING THE TRAKLOCK ON/OFF AND FACTORY RESET

**ON:** Press the power button to turn on the TrakLock.

When the lock is not paired to your Find My app, it will beep several times.     

When the TrakLock is paired with your Find My app, it will play a series of ascending beeps.     

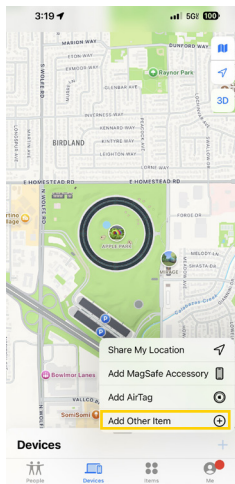

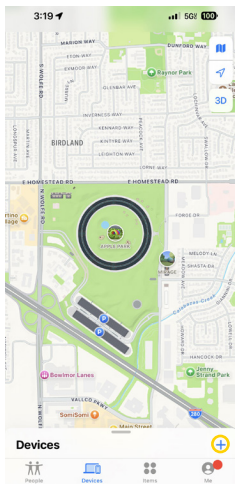

To pair the TrakLock with your Find My app, follow the instructions in *Pairing the TrakLock with Apply Find My* below.

**OFF:** To turn off the Traklock, press and hold the power button until it beeps twice.  

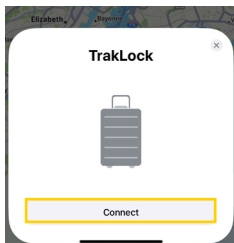

**RESET:** Quickly press the power button 5 times and hold until it beeps several times.     

# PAIRING THE TRAKLOCK WITH APPLE FIND MY

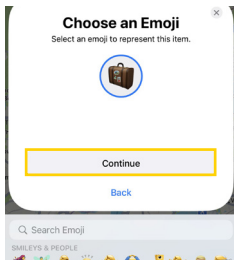

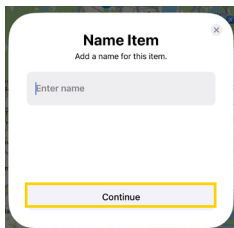

1. Press the power button to turn on the TrakLock.
2. Make sure your phone's data network and Bluetooth are turned on.
3. Open the Find My app. Press add (+) Devices, then press Add Other Item.

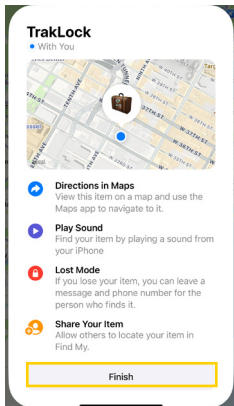

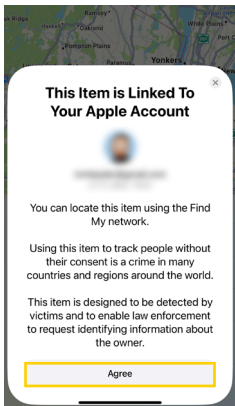

4. When a window pops up recognizing the TrakLock, press connect.

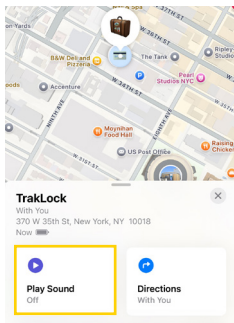

5. Name the TrakLock, for example Bag 1, and press continue. Then choose an Emoji, and press continue.

6. When the device is linked, press Agree. On the next window, press Finish.

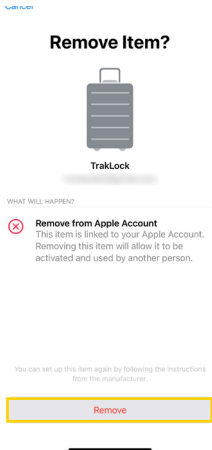

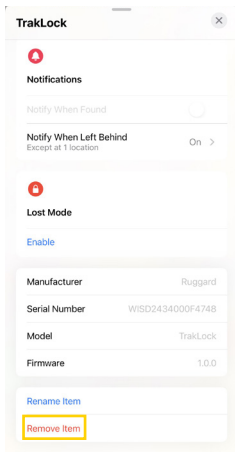

7. After setup is complete, a window will show your TrakLock's location. Press the Play Sound in the app, and the TrakLock will beep several times.

# REMOVING THE TRAKLOCK FROM THE FIND MY APP

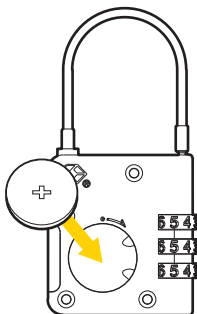

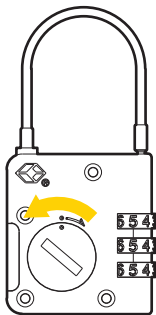

1. Open the Find My app and select Items.
2. Select your TrakLock name and scroll to the bottom of the screen.
3. Press Remove Item and follow the instructions. Once removed, the TrakLock will beep several times.

## REPLACING THE BATTERY

The TrakLock uses a CR1632 lithium coin battery.

- 1.** Use a coin to open the battery cap.
- 2.** Remove the old battery. Insert a new one by sliding it under the metal pins and pressing down until secure.
- 3.** Replace the battery cap and use the coin to lock it.

Works with  
**Apple Find My**

Use of the Works with Apple badge means that a product has been designed to work specifically with the technology identified in the badge and has been certified by the product manufacturer to meet Apple Find My network product specifications and requirements. Apple is not responsible for the operation of this device or use of this product or its compliance with safety and regulatory standards.

Apple, Apple Find My, Apple Watch, Find My, iPhone, iPad, iPadOS, Mac, macOS and watchOS are trademarks of Apple Inc., registered in the U.S. and other countries. IOS is a trademark or registered trademark of Cisco in the U.S. and other countries and is used under license.

To use the Apple Find My app to locate this item, the latest version of iOS, iPadOS, or macOS is recommended.

# ONE-YEAR LIMITED WARRANTY

This Ruggard product is warranted to the original purchaser to be free from defects in materials and workmanship under normal consumer use for a period of one (1) year from the original purchase date or thirty (30) days after replacement, whichever occurs later. The warranty provider's responsibility with respect to this limited warranty shall be limited solely to repair or replacement, at the provider's discretion, of any product that fails during normal use of this product in its intended manner and in its intended environment. Inoperability of the product or part(s) shall be determined by the warranty provider. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover damage or defect caused by misuse, neglect, accident, alteration, abuse, improper installation or maintenance. EXCEPT AS PROVIDED HEREIN, THE WARRANTY PROVIDER MAKES NEITHER ANY EXPRESS WARRANTIES NOR ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This warranty provides you with specific legal rights, and you may also have additional rights that vary from state to state.

To obtain warranty coverage, contact the Ruggard Customer Service Department to obtain a return merchandise authorization ("RMA") number, and return the defective product to Ruggard along with the RMA number and proof of purchase. Shipment of the defective product is at the purchaser's own risk and expense.

For more information or to arrange service, visit [www.ruggard.com](http://www.ruggard.com) or call Customer Service at 212-594-2353.
