# SAFETY AND PRODUCT INFORMATION

## SÉCURITÉ ET INFORMATIONS DU PRODUIT

---

### **Safety information:**

Before using this GÓgroove product, review these safety and regulatory information provided in this document. Keep this document in a safe place so that you can refer to it whenever you need it.

### **Important safety precautions:**

- 1) Read these instructions.
- 2) Keep these instructions.
- 3) Heed all warnings.
- 4) Follow all instructions.
- 5) Do not use this product near water.
- 6) Clean only with a dry cloth.
- 7) Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
- 8) Do not install near any heat sources such as radiators, heat registers, stoves or other apparatus (including amplifiers) that produce heat.
- 9) Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the product.
- 10) Only use attachments/accessories specified by the manufacturer.
- 11) Use only with the cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the product.
- 12) Unplug the product during lightning storms or when unused for long periods of time.
- 13) Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the product, the product has been exposed to rain or moisture, does not operate normally, or has been dropped.
- 14) No naked flame sources, such as lighted candles, should be placed on the product.

### **Information de sécurité:**

Avant d'utiliser ce produit GÓgroove, consultez les informations sur la sécurité et la réglementation fournies dans ce document. Gardez ce document dans un endroit sûr afin que vous puissiez vous y référer chaque fois que vous en avez besoin.

### **Mesures de sécurité importantes :**

- 1) Lisez ces instructions.
- 2) Conservez ces instructions.
- 3) Respectez tous les avertissements.
- 4) Suivez toutes les instructions.
- 5) N'utilisez pas ce produit près de l'eau.
- 6) Nettoyez uniquement avec un chiffon sec.
- 7) Ne bloquez pas les ouvertures de ventilation. Installez conformément aux instructions du fabricant.
- 8) Ne pas installer à proximité de sources de chaleur telles que des radiateurs, des bouches de chaleur, des poêles ou d'autres appareils (y compris les amplificateurs) produisant de la chaleur.
- 9) Protégez le cordon d'alimentation de tout piétinement ou pincement, en particulier au niveau des connecteurs, des prises de courant et du point de sortie du produit.
- 10) Utilisez uniquement les connexions/accessoires spécifiés par le fabricant.
- 11) Utilisez uniquement avec le chariot, le support, le trépied, le support ou la table spécifié par le fabricant ou vendu avec le produit.
- 12) Débranchez le produit pendant les orages ou lorsqu'il n'est pas utilisé pendant de longues périodes.
- 13) Confiez toute réparation à un technicien qualifié. Un entretien est nécessaire lorsque l'appareil a été endommagé de quelque façon que ce soit, par exemple un cordon d'alimentation ou une prise endommagée, si du liquide a été renversé ou des objets sont tombés dans le produit, si le produit a été exposé à la pluie ou à l'humidité ou a été abandonné.
- 14) Aucune source de flamme nue, telle qu'une bougie allumée, ne doit être placée sur le produit.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1) this device may cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation. Compliance Information Statements: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: 1) reorient or relocate the receiving antenna; 2) increase the separation between the equipment and receiver; 3) connect the equipment into an outlet on a circuit different from that to which the receiver is connected; 4) consult the dealer or an experienced radio/TV technician for help. Modifications to this product not authorized by Accessory Power could void your right to use or operate this product by the FCC. Where shielded interface cables or accessories have been provided with the product or specified additional components or accessories elsewhere detailed to be used with the installation of the product, they must be used in order to ensure compliance with FCC regulations.

**WARNING: This product contains chemical(s) known to the State of California to cause cancer, birth defects, or other reproductive harm.**

**Why does Accessory Power provide a California Proposition 65 warning?**

A Proposition 65 warning means one of two things: (1) the business has evaluated the exposure and has concluded that it exceeds the "no significant risk level"; or (2) the business has chosen to provide a warning simply based on its knowledge about the presence of a listed chemical without attempting to evaluate the exposure. Accessory Power has chosen to provide a warning based on its knowledge about the presence of one or more listed chemicals without attempting to evaluate the level of exposure. With this product, the exposure may be negligible or well within the "no significant risk" range; however, out of an abundance of caution, Accessory Power has elected to provide the consumer a warning regarding Proposition 65.
