# Folding Black Flag

## INSTRUCTIONS

# Introduction

## Thank you for choosing Impact.

The Impact Folding Black Flag offers light control with a collapsible frame and two-sided fabric. Control spill light from natural and artificial sources with black 16-ounce Duvetyne fabric, which effectively blocks light and prevents it from reaching a specific area. Choose between a nap or matte textured side for different amounts of light absorption. This flag features a collapsible metal frame with a 3/8-inch frame-mounting pin, making it convenient for transport and easy to secure to standard grip heads.

## Precautions

- Please read and follow these instructions, and keep this manual in a safe place.
- Keep this unit away from water and any flammable gases or liquids.
- Make sure this product is intact and that there are no missing parts.
