imagine the pride

Imagine the excitement and sense of pride that this sleek jewel of a printer will bring to your life. Banish unattractive technology and welcome a trendy laser that will sparkle on your desk and light up your printouts. With the Samsung SCX-4500 it's not that hard to imagine.

imagine the discovery

Discover the outer pride

Behold how the unique design and glossy texture reach out and capture your attention. This laser will have everyone around you mesmerized, and you'll feel so proud. SCX-4500 is the smallest multifunction laser printer on the market at 13 x 15.5 x 6.5 inches (W/D/H).

Discover the inner pride

As comfortable to the touch as it is beautiful. The smooth soft touch of the buttons give you control and make each choice so easy.

Discover the responsive pride

Buttons and panels that are truly responsive. Each button and display was designed to be simple to use and fun to operate.

Discover the Simple pride

Less really is more when you have less noise and unnecessary buttons and arrows. This minimalist design sets users free, giving them a relaxed and productive workspace.
