Precautions

- Do not attempt to disassemble or repair the equipment—doing so will void the warranty, and Xcellon will not be responsible for any damage.
- Clean this product with only a soft, dry cloth.
- Keep this product away from water and any flammable gases or liquids.
- The adapter can get hot when in use. Keep it uncovered to prevent overheating and use caution touching the surface when it's in use.
- Don't let the weight of the adapter box hang freely when it's connected to a device or being carried. The weight of the adapter can damage the cable at the junction of the cable and the connector.
