

LED-BASE-27 / LED-CLAMP-25

**LED Desk Lamp**  
WITH BASE / WITH CLAMP

USER MANUAL

**G** genaray®

## THANK YOU FOR CHOOSING GENARAY

Genaray's Desk Lamps will add a sleek and modern look to any workspace. They produce a soft, diffused beam and incorporate multiple pivot points for ultimate maneuvering. They can illuminate your workspace, light up a video conference, or make you look good for vlogging.

## PRECAUTIONS

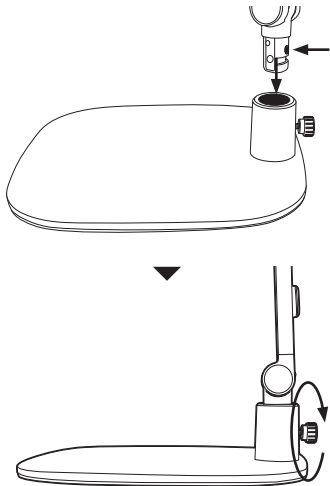

- Please read and follow these instructions, and keep this manual in a safe place.
- Make sure that this product is intact and that there are no missing parts.
- Use only the correct, recommended voltage.
- Do not stare at the lights when they are powered on.
- Do not attempt to disassemble or repair the equipment—doing so will void the warranty, and Genaray will not be responsible for any damage.
- Clean the unit with only a soft, dry cloth.
- All images are for illustrative purposes only.

## SETUP

### LED-BASE-27

1. Loosen the base's locking knob.
2. Align the lamp so the thread in the light's base joint aligns with the locking screw in the base's receiver.
3. Make sure the light is fully inserted into the receiver before tightening the locking screw.

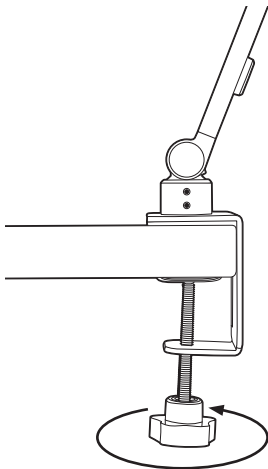

## LED-CLAMP-25

1. Slide the clamp onto a level surface that's a maximum of 2.4 inches thick. Make sure the edge of the clamp is flush with the side of the surface.
2. Turn the locking knob to tighten the clamp until secure.

### Important!

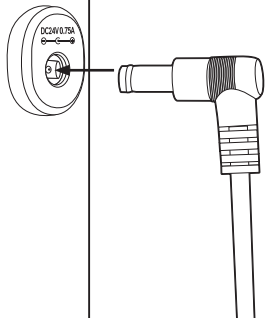

Make sure to support the light with one hand when loosening the clamp.

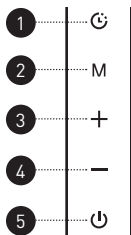

## POWERING THE LAMP

Use the included AC adapter to plug the lamp into a power outlet.

The power switch illuminates when it's connected to a power source.

## OPERATION

### 1. Timer

- First press: The timer button will glow white. The light will automatically turn off after 60 minutes.
- Second press: The timer button will glow blue. The light will automatically turn off after 30 minutes
- Third press: Deactivates the timer.

### 2. Color Temperature Selector

- Tap repeatedly to select one of three color temperature presets:

3000 K (warm tungsten), 4400 K (neutral), and 6500 K (bright daylight).

### 3. Increase brightness

- Press and hold: Brightness will gradually increase.
- Multiple taps: Brightness will increase in 10% increments.

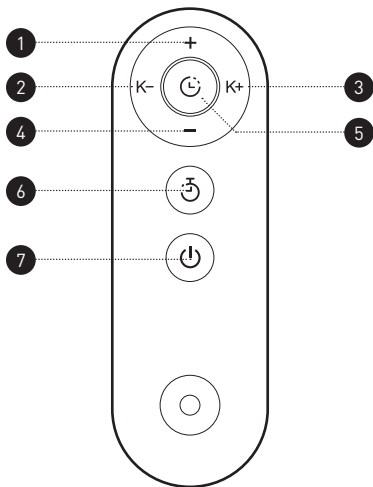

### 4. Decrease brightness

- Press and hold: Brightness will gradually decrease.
- Multiple taps: Brightness will decrease in 10% increments.

### 5. Power switch

- The power switch illuminates when the lamp is plugged into a power outlet.
- Tap to turn the light on, tap again to turn off.

## REMOTE CONTROL (LED-CLAMP-25 ONLY)

Before using the remote, pull the plastic side tab to remove the battery's protective sheet.

1. Increase brightness
2. Decrease color temperature
3. Increase color temperature
4. Decrease brightness
5. Timer
6. Delay
7. Power

### Increase/Decrease Brightness

- Each press increases or decreases the brightness from 10% to 100% in 10% increments.

### Increase/Decrease Color Temperature

- Press to cycle through the three color temperature presets: 3000, 4400, and 6500 K.

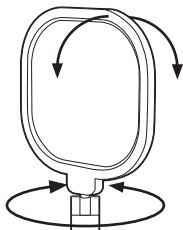

### Timer

- First press: Light pulses once and automatically shuts off after 60 minutes.
- Second press: Light pulses twice and automatically shuts off after 30 minutes.
- Third press: Deactivates the timer.

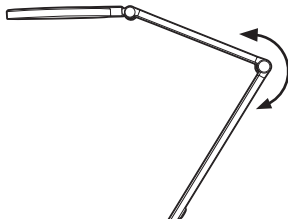

### Delay Button

- First press: Light pulses once, the brightness increases to 100% and turns off after one minute.
- Second press: Light pulses twice and deactivates the delayed shutoff.

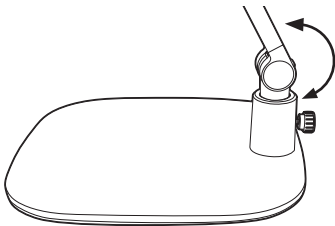

## ADJUSTING THE LAMP

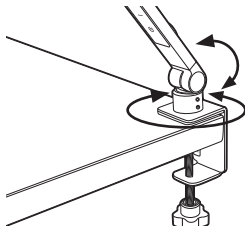

Tilting and swiveling lamp head

Tilting arm

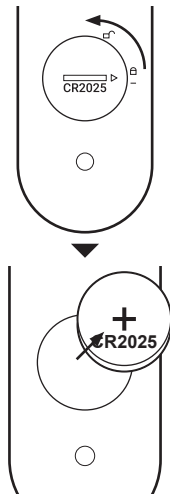

Tilting base (LED-BASE-27 only)

Tilting and rotating clamp (LED-CLAMP-25 only)

## REPLACING THE BATTERY

1. Turn the battery cover counterclockwise to unlock it.
2. Slide a CR2025 battery under the two tabs in the battery compartment.
3. Replace the battery cover and turn it clockwise to lock it.

## PRODUCT SPECIFICATIONS

**Color Temperature:** 3000, 4400, 6500 K

**Color Accuracy Standard:** CRI: 95

**Light Intensity @ 1 m:** 420 lx

**Cooling:** Passive

**Dimming:** 10% to 100%

**Number of LEDs:** 84

**Material:** Aluminum

**Expected Lamp Life:** 20,000 hr.

**Power Source:** AC cable

**Input Power:** 120-240V 50/60 Hz 0.5A Max

**Power Consumption:** 15 W

**Power Supply:** 24 V = .75 A

**Fixture Mount:**

LED-BASE-27: 7.75 × 7.5 in. (19.7 × 19 cm)

LED-CLAMP-25: C-Clamp max 2.4 in. (6.1 cm)

**Max Height:**

LED-BASE-27: 35 in. (88.9 cm)

LED-CLAMP-25: 34 in. (86.4 cm)

**Weight:**

LED-BASE-27: 4.1 lb. (1860 g)

LED-CLAMP-25: 1.9 lb. (862 g)

## ..... FCC COMPLIANCE STATEMENT

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

Important: Changes or modifications to this product not authorized by Genaray could void the electromagnetic compatibility

(EMC) and wireless compliance and negate your authority to operate the product. This product has demonstrated EMC compliance under conditions that included the use of compliant peripheral devices and shielded cables between system components. It is important that you use compliant peripheral devices and shielded cables between system components to reduce the possibility of causing interference to radios, televisions, and other electronic devices.

## **ONE-YEAR LIMITED WARRANTY**

This Genaray product is warranted to the original purchaser to be free from defects in materials and workmanship under normal consumer use for a period of one (1) year from the original purchase date or thirty (30) days after replacement, whichever occurs later. Genaray's responsibility with respect to this limited warranty shall be limited solely to repair or replacement, at Genaray's discretion, of any product that fails during normal use of this product in its intended manner and in its intended environment. Inoperability of the product or part(s) shall be determined by Genaray. If the product has been discontinued, Genaray reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover damage or defect caused by misuse, neglect, accident, alteration, abuse, improper installation or maintenance. EXCEPT AS PROVIDED HEREIN, GENARAY MAKES NEITHER ANY EXPRESS WARRANTIES NOR ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This warranty provides you with specific legal rights, and you may also have additional rights that vary from state to state.

To obtain warranty coverage, contact the Genaray Customer Service Department to obtain a return merchandise authorization (“RMA”) number, and return the defective product to Genaray along with the RMA number and proof of purchase. Shipment of the defective product is at the purchaser’s own risk and expense.
