DOUBLE & TRIPLE HEADERS

Thank you for choosing KeyGrip.

This manual contains instructions for KeyGrip's premium line of professional double and triple headers.

All KeyGrip stand accessories are precision manufactured to exact standards and specifications for pro video, photo, and cinematography applications. Wide-diameter and beefy steel construction is ideal for mounting multiple studio lights, gear, and accessories on a single stand.

KeyGrip's multi-pin headers are ideal for placing multiple lights and accessories in close proximity while working in tight spaces that don't have room for extra stands or booms. Sturdy chromed-steel construction will support weighty fixtures and hold them securely from solidly welded metal baby pin mounts. All the headers have a combination 5/8-inch receiver / 1 1/8-inch junior pin for compatibility with light stands, C-stands, and combo stands. The adjustable headers feature telescoping arms that provide wider spacing to accommodate large lighting fixtures.

All KeyGrip headers are equipped with custom metal ergonomic locking knobs and knurled baby pins to prevent twisting.

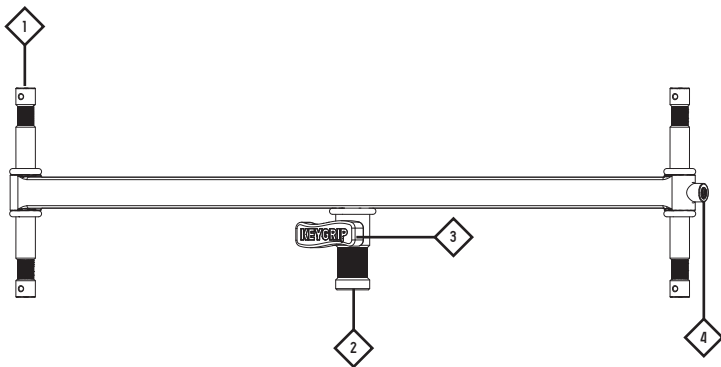

Precautions

- Please read and follow these instructions and keep this manual in a safe place.
- Make sure that this product is intact and that there are no missing parts.
- Do not exceed the light stand's maximum load capacity.
- Always use sandbags when using this product.
- Make sure all connections are secure before proceeding.
- Always add a safety cable for underslung lights.
- All images are for illustrative purposes only.

Mounting the Headers

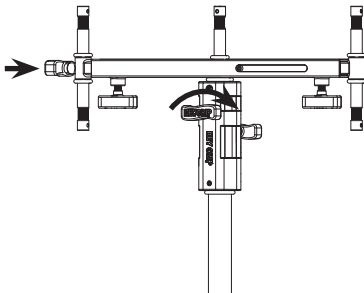

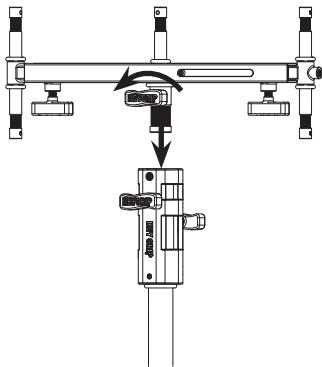

Mounting to a Baby Pin

1. Place the header onto the baby pin.
2. Tighten the locking knob until secure.

Mounting to a Junior Receiver

1. Unscrew the locking knob to remove it, and place the base into the junior receiver.
2. Screw the locking knob into the knob storage tap hole for safekeeping. Tighten the receiver's locking knob until secure.

One-Year Limited Warranty

This KEYGRIP by Impact product is warranted to the original purchaser to be free from defects in materials and workmanship under normal consumer use for a period of one (1) year from the original purchase date or thirty (30) days after replacement, whichever occurs later. The warranty provider's responsibility with respect to this limited warranty shall be limited solely to repair or replacement, at the provider's discretion, of any product that falls during normal use of this product in its intended manner and in its intended environment. Inoperability of the product or part(s) shall be determined by the warranty provider. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover damage or defect caused by misuse, neglect, accident, alteration, abuse, improper installation or maintenance. EXCEPT AS PROVIDED HEREIN, THE WARRANTY PROVIDER MAKES NEITHER ANY EXPRESS WARRANTIES NOR ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This warranty provides you with specific legal rights, and you may also have additional rights that vary from state to state.

To obtain warranty coverage, contact the Impact Customer Service Department to obtain a return merchandise authorization ("RMA") number, and return the defective product to Impact along with the RMA number and proof of purchase. Shipment of the defective product is at the purchaser's own risk and expense.

For more information or to arrange service, visit www.impactstudiolighting.com or call Customer Service at 212-594-2353.
