Instructions for Use

Power/Mode Button:

1. Long press the button for 2S to turn the clip-on light on/off.
2. Short press the button to cycle through the 3 lighting modes, including white light (6500K), yellow light (3000K), and mixed light (4400K).

Brightness Adjustment Button:

Short press to cycle through 5 brightness levels.

Battery warning

1. Do not attempt to detach, modify, and repair the battery by yourself. Any unauthorized operation may cause battery leakage, overheating, burning, and other hazards.
2. Be sure to use the provided or certified chargers to prevent overcharging and shortcuts.
3. If unusual charging speed and indicator flashing occur, please stop charging and contact our customer service immediately.
4. Keep away from inflammable and explosive items.

Specifications

Item Type	Clip-On Video Light
Model	N6
