Assembly Guide

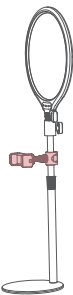

1. Remove the screw from the bottom of the extendable stand and thread it onto the base. Then, secure the extendable stand on the screw.

2. Mount the light head on top of the stand. Insert the fixing knob and tighten it.

3. Loosen the twist lock to adjust the height of the stand. Loosen the angle adjustment lock to tilt the light head. Tighten locks once set.

4. Attach the phone holder to the phone holder connector, then fasten the connector onto the stand.

Safety Precautions

1. Do not drop the product or expose it to strong impacts.
2. Avoid direct eye contact with the light to prevent eyesight damage.
3. Do not use in rainy or humid environments.
4. Turn off the power when not in use.
