

7 PORT
USB Charging Station
featuring Qualcomm® Quickcharge™ 2.0 technology

User Manual

Thank you for choosing Xuma.

The Xuma 7-Port USB Charging Station featuring Qualcomm® Quick Charge™ 2.0 technology provides power for up to 7-USB compatible devices and tablets simultaneously. The station delivers 2.4 amps per port and has two Quick Charge ports for Quick Charge compatible devices. Integrated smart chips recognize if a smartphone or tablet has been connected and allots the required power to each port. Seven dividers keep everything organized. The first divider can be used as a stand for viewing your smartphone or tablet while it is charging. A built-in power switch and internal current protection help safeguard the charging station and connected devices.

Precautions

- Please read and follow these instructions, and keep this manual in a safe place.
 - Keep this product away from children.
 - Use only the correct, recommended voltage.
 - Clean this product with only a soft, dry cloth.
 - Keep this product away from water and any flammable gases or liquids.
 - Do not attempt to disassemble or repair this product.
 - All images are for illustrative purposes only.
 - Handle this product with care.

Product Overview

Operation

1. Use the included power adapter and cable to connect the USB charging station to an AC power source.
2. Press the power button on the USB charging station to turn on the unit. The status LED will glow blue to indicate that the station is receiving power.
3. Plug your device into an available USB port on the charging station

To turn off the charging station, press the power button. The status LED will stop glowing to indicate that the station is now off.

To take advantage of the Quick Charge 2.0 ports, your device must be Quick Charge 2.0 compatible. If not, these ports will operate as the other charging ports.

Operating temperature	32°F–104°F (0°C–40°C)
Storage temperature	-4°F–185°F (-20°C–85°C)
Humidity range	5%–95% Rh noncondensing
Dimensions (H × W × D)	2.6" × 5.6" × 7.45" (6.6 × 14.2 × 18.9 cm)
Weight	12.6 oz. (357.2 g)

ONE-YEAR LIMITED WARRANTY

This Xuma product is warranted to the original purchaser to be free from defects in materials and workmanship under normal consumer use for a period of one (1) year from the original purchase date or thirty (30) days after replacement, whichever occurs later. The warranty provider's responsibility with respect to this limited warranty shall be limited solely to repair or replacement, at the provider's discretion, of any product that fails during normal use of this product in its intended manner and in its intended environment. Inoperability of the product or part(s) shall be determined by the warranty provider. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover damage or defect caused by misuse, neglect, accident, alteration, abuse, improper installation or maintenance. EXCEPT AS PROVIDED HEREIN, THE WARRANTY PROVIDER MAKES NEITHER ANY EXPRESS WARRANTIES NOR ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This warranty provides you with specific legal rights, and you may also have additional rights that vary from state to state.

To obtain warranty coverage, contact the Xuma Customer Service Department to obtain a return merchandise authorization ("RMA") number, and return the defective product to Xuma along with the RMA number and proof of purchase. Shipment of the defective product is at the purchaser's own risk and expense.

For more information or to arrange service, visit www.xumausa.com or call Customer Service at 212-594-2353.
