

LT-320

Enclosed Flat/Tilt Wall Mount

For 26" to 32" flat panel TVs with VESA® 200 x 100mm mounting hole patterns

This incredibly easy to install Enclosed Tilt Wall Mount provides functionality while delivering a clean and secure installation for hospitality applications. It is engineered to expedite installation with its hook-and-hang style TV to mount connection, secure the TV to the wall preventing accidental dislodging and theft as well as to provide variable viewing angles. The box style design finishes off the look by hiding cables and external components from view for a truly clean, clutter-free installation.

FEATURES

- Flat and tilt (+10°/-2°) wall mount functionality
- Clean profile design hides cables and hardware within enclosed wall plate for a clutter-free installation
- Mounts to single stud or 16" stud centers
- Includes hardware for installation to wood studs, concrete or cinder block
- 2.53" distance from the wall

TV size: 26"-32"

Max load: 80lb (36.3kg)
