INFORMAZIONE AGLI UTENTI DI APPARECCHIATURE DOMESTICHE

Al sensi dell'art. 28 del Decreto Legislativo 14 marzo 2014, n. 49 "Attuazione della Direttiva 2012/18/UE sul

Ritiro di Apparecchiature Elettriche ed Elettroniche (RAEE)" e del Decreto Legislativo 108 del 20 novembre

2008.

Il titolare del casasetto/barrileto riportato sull'apparecchiatura o sulla sua confezione indica che il prodotto alla fine della

propria vita utile deve essere raccolto separatamente dagli altri rifiuti per permettere un adeguato trattamento e riciclo.

Si ricorda che la pile/accumulatori eventualmente presenti, laddove possibile, debbono essere rimossi dall'apparecchiatura

prima che questa sia conferita come rifiuto.

L'utente potrà, pertanto, conferire gratuitamente l'apparecchiatura e l'eventuale batteria giunta a fine vita agli idonei centri

comuni di raccolta differenziata dei rifiuti elettrici ed elettronici. In alternativa l'utente potrà riconsegnare al rivenditore

secondo le seguenti modalità:

- sia gli piccoli sia apparecchiature di piccole dimensioni, ovvero con almeno un lato esterno non superiore a 25 cm, è

prevista la consegna gratuita senza obbligo di acquisto presso i negozi con una superficie di vendita delle apparecchiature

elettrodomestici ed elettroniche superiori a 400 mq. Per negozi con dimensioni inferiori, tale modalità è facoltativa.

- per apparecchiature con dimensioni superiori a 25 cm, è prevista la consegna in tutti i punti di vendita in modalità 1 contro 1,

ovvero la consegna al rivenditore potrà avvenire solo all'atto dell'acquisto di un nuovo prodotto equivalente, in ragione di uno a uno.

L'adeguata raccolta differenziata per l'uso successivo dell'apparecchiatura e delle pile/accumulatori dismessi al riciclaggio, al

trattamento e allo smaltimento ambientalmente compatibile contribuisce ad evitare possibili effetti negativi sull'ambiente e

sulla salute e favorisce il risparmio e/o riciclo dei materiali di cui esso sono composti.

Lo smaltimento improprio di apparecchiature, pile ed accumulatori da parte dell'utente comporta l'applicazione delle sanzioni di

carattere amministrativo di legge.
