

IPU-108

# Universal Tablet Holder

**Owner's Manual**

## Thank you for choosing Auray.

The Auray Universal Tablet Holder mounts your tablet onto a microphone stand's shaft or threaded mount for hands-free viewing while onstage or in the studio. The adjustable bracket ensures safe and easy support for your tablet. The holder is designed to provide 180° tilt and 360° rotation for optimal landscape or portrait orientation. With your tablet mounted on the IPU-108, you'll have control of your sheet music, lyric charts, and apps during performances and recording sessions.

### Precautions

Please read and follow these instructions, and keep this manual in a safe place.

- Do not attempt to disassemble or repair this product.
- Clean this product with only a soft, dry cloth.
- Use only parts provided by the manufacturer.
- Make sure everything is secure before proceeding.
- Make sure that this product is intact and that there are no missing parts.
- Unless instructed otherwise, make sure not to unscrew any of the locking knobs all the way, or they will fall off.
- To avoid damage to this product, be careful not to overtighten or improperly thread any of the threaded fittings.
- Do not insert your iPad or tablet into the bracket until after you have successfully mounted the IPU-108 onto the microphone stand.
- All images are for illustrative purposes only.

# Overview

## Holder

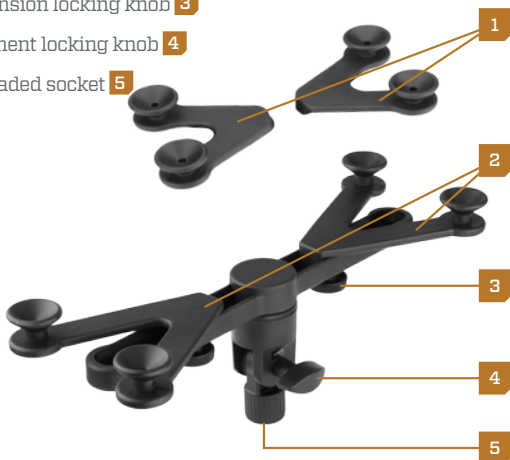

Small V-arm extension (7 to 11 in. tablets) **1**

Large V-arm extension (10 to 14 in. tablets) **2**

V-arm extension locking knob **3**

Tilt adjustment locking knob **4**

5/8 in. threaded socket **5**

## Clamp

5/8 in. threaded post & locking knob **6**

Clamp locking knob **7**

# Instructions

## Mounting the IPU-108 to a Microphone Stand's Threaded Mount

**Important!** Do not insert your tablet into the bracket until you have successfully mounted the IPU-108 onto the microphone stand.

Align the 5/8 in. threaded socket with the microphone stand's threaded mount, and screw the universal tablet holder on until secure. **1**

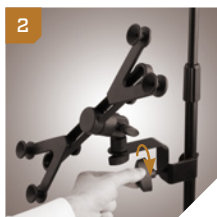

## Adding the Clamp to the Tablet Holder

To mount the IPU-108 to a microphone stand shaft, the clamp must first be attached to the tablet holder.

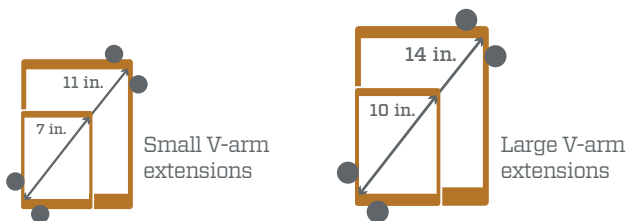

1. Align the 5/8 in. threaded socket with the clamp's 5/8 in. threaded post and locking knob.
2. Screw the clamp into the tablet holder by turning the locking knob until secure.

## Mounting the IPU-108 to a Microphone-Stand Shaft

1. Loosen the clamp locking knob, and then fit it around the microphone-stand shaft.
2. Close the clamp by tightening the clamp locking knob until secure. **2**

## Selecting or Swapping the V-arm Extensions for Your Tablet

To attach or swap the V-arm extensions, follow these steps:

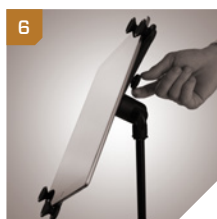

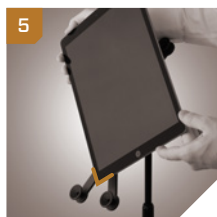

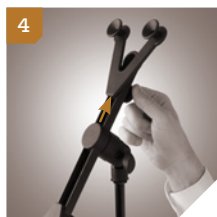

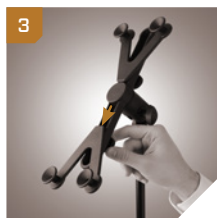

1. Unscrew both V-extension locking knobs, and remove the V-arm extensions from the brackets. Exchange them for the other size of V-arm extensions.
2. Fit the mounting sockets into the bracket slots, making sure that the V-arm extension nodes face away from the center of the bracket.
3. Secure the V-arm extensions by screwing in the locking knobs from the underside of the bracket.

## Inserting Your Tablet into the Bracket

**Important!** Do not insert your tablet into the bracket until you have successfully mounted the IPU-108 onto the microphone stand.

1. With the bracket in a partially vertical position, loosen the bottom V-arm extension locking knob. Slide the extension wide enough to accommodate one corner of the tablet. **3**
2. Tighten the bottom V-arm extension locking knob until secure.
3. Loosen the top V-arm extension locking knob, and slide it to a wide position. **4**
4. Place any corner of the tablet between the bottom V-arm extension nodes. **5**
5. Slide the top V-arm extension down onto the tablet's diagonal corner until it's secure and not moving.
6. Tighten the V-arm extension knob until it's secure. **6**

You may need to repeat these steps in order to adjust the bracket for a proper fit.

## Positioning the IPU-108

### Rotation

The Auray Universal Tablet Holder has the ability to rotate a full 360°. Turn the tablet to the desired orientation. The V-arm extension nodes will securely hold the tablet in place. **7**

### Tilt

The Auray Universal Tablet Holder has a tilt capacity of 180° whether mounted onto the microphone stand's threaded mount, or mounted onto the stand's shaft. **8**

To adjust the tilt, loosen the tilt adjustment locking knob, and set the tablet at the desired angle. Then retighten the locking knob.

**Important!** Always keep one hand on your tablet when loosening the tilt adjustment locking knob.

## Specifications

**Weight capacity:** 6.6 lb. (3 kg)

**Rotation:** 360°

**Tilt:** 180°

**Clamp range:** Small V-arm extensions: 7 to 11 in. (17.78 to 27.94 cm)

**Weight:** 1.25 lb. (567 g)

**Compatibility:** 7 to 14 in. (17.78 to 35.5 cm) tablets

# Three-Year Limited Warranty

This Auray product is warranted to the original purchaser to be free from defects in materials and workmanship under normal consumer use for a period of three (3) years from the original purchase date or thirty (30) days after replacement, whichever occurs later. The warranty provider's responsibility with respect to this limited warranty shall be limited solely to repair or replacement, at the provider's discretion, of any product that fails during normal use of this product in its intended manner and in its intended environment. Inoperability of the product or part(s) shall be determined by the warranty provider. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover damage or defect caused by misuse, neglect, accident, alteration, abuse, improper installation or maintenance. EXCEPT AS PROVIDED HEREIN, THE WARRANTY PROVIDER MAKES NEITHER ANY EXPRESS WARRANTIES NOR ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This warranty provides you with specific legal rights, and you may also have additional rights that vary from state to state.

To obtain warranty coverage, contact the Auray Customer Service Department to obtain a return merchandise authorization ("RMA") number, and return the defective product to Auray along with the RMA number and proof of purchase. Shipment of the defective product is at the purchaser's own risk and expense.
