PBM-FF

Metal Frame Piano Bench (Black)

Owner's Manual

Thank you for choosing Auray.

Auray's PBM piano bench is perfect for the studio, stage, or home. Its sturdy and durable construction will support up to 300 pounds, and the padded leatherette seat provides comfort through many hours at the keyboard. The bench comes in elegant matte black and matte white finishes to match almost any décor. Two feet are height adjustable to steady the bench on an uneven floor or stage.

Instructions

Assembling the PBM-FF

1. Make sure the nuts on the attachment bolts are snug. If they seem loose, use the wrench to tighten them until secure.
2. Place the bench upside down on a flat surface so you can access the corner brackets.
3. Attach each leg to the corner brackets by inserting the bolts through the holes. Make sure both adjustable legs are attached to either the front or back.
4. Screw the nuts onto the bolts, and use the wrench to tighten until secure.
5. If the bench sits on an uneven surface, determine which of the two adjustable legs needs to be lengthened. Turn the leg's height adjuster clockwise until all the legs sit evenly on the floor.
