Key Features

Windows 10

Web Description

Acer Aspire TC-885-UR13 Desktop, 8th Gen Intel Core i5-8400, 8GB DDR4, 256GB SSD, 8X DVD, Windows 10 Home

Features

Sleek and Functional

Introducing the new look of Aspire TC series desktop: Easy access arrow-like power key, vertical hairline brush front cover and attractive glossy badge deco. The 16-liter size, packs all you need for daily computing with room to grow and fits great either on a desktop or floor.

Impressive Performance

Don't let an old computer hold you back. Introducing the new 8th Generation Intel® Core™ i5 processor, it's Intel's most powerful processor designed to keep pace with the digital world. And with 8GB of super-fast DDR4 memory, all processing happens superfast, for supersmooth computing experiences.

Immersive Sound

The HD Audio with available 5.1-Channel Surround Sound delivers crystal clear acoustics for a theater-like entertainment experience at home. The HDMI® port lets you move the action to a widescreen monitor or your big-screen TV.

Look no Wires

802.11ac wireless technology offers speeds that are up to three times faster than previous-generation wireless technologies.

Room for More

Maximize your creativity and enjoy more of your favorite media with plenty of storage space. A sizable 16 liter chassis provides plenty of extra space for future expansion.

Acer Care Center

Acer Care Center provides a full range of services, checks and updates to keep your device fresh and running smoothly.

(1) Overall system performance is based on several PC attributes. GHz, processor clock speed, is one of the attributes. Intel Turbo Boost Technology performance varies depending on hardware, software and overall system configuration.

(2) Shared system memory may be allocated to support integrated graphics depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by the amount of shared system memory utilized by the graphics solution and resources required by the operating environment.

(3) For a free copy of the standard limited warranty end-users should see a reseller where Acer products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503. TFT displays commonly exhibit a small number of discolored dots, so-called "nonconforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect and, as such, is not covered by the limited warranty or by the upgrade programs. For International travelers warranty Valid only in countries where Acer has an authorized repair facility. For a list of those countries go to <http://global.acer.com/support/itw.htm>, or call 800-816-2237. Services and response times may vary in countries outside the U.S. and Canada

(4) Internet access required. 30-day trial.

(5) 1 GB is 1 billion bytes. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Acer eRecovery Management utilizes up to 8 GB (10 GB with Microsoft® Office Starter 2010 Trial) of the stated hard disk capacity as dedicated backup space.

(6) Microsoft Office Trial included. After or during the 30-day trial, purchase an Office Product Key to activate one of the following Office suites preloaded on this PC: Office Home and Student, Office Home and Business, Office Professional.
