USB DEVICE CHARGER

User's Guide

Introduction

The Bolt USB-C Device Charger turns your Bolt Cyclone Battery Pack into a portable USB charger, so you can power up your USB-charging devices when you're out shooting. Ideal for items like your cell phone, MP3 player, or tablet, the USB-C will help give you the boost you need when there's no electrical outlet nearby.

Instructions

1. Plug the six-pin battery connector end of the Bolt USB-C cable into the multifunction socket of the Bolt Cyclone Battery Pack.

Note: Make sure to align the pins in the cable with the corresponding holes in the socket. If the cable does not fit, do not force it in. Check the pins and try again.

2. Plug your USB charging cable into the device you need to charge, and then plug the other end into the female USB port of the Bolt USB-C cable.

Warnings

- Use only as instructed.
 - Do not disassemble or attempt to maintain this product yourself.
 - The charger may become warm during use. This is not a malfunction.
 - Connect this charger only to a compatible battery pack.
 - This product is not water resistant. Keep it away from rain, snow, and humidity.
 - Do not store or use this product at temperatures above 40°C / 104°F.
 - Do not use if any wire in the cord is exposed as a result of damage or wear.
 - Keep out of reach of children.
 - Make sure the charger is firmly connected at both ends when charging your device.
 - Unplug the charger from the socket on the battery pack when it is not in use.
- 

One-Year Limited Warranty

This BOLT product is warranted to the original purchaser to be free from defects in materials and workmanship under normal consumer use for a period of one (1) year from the original purchase date or thirty (30) days after replacement, whichever occurs later. The warranty provider's responsibility with respect to this limited warranty shall be limited solely to repair or replacement, at the provider's discretion, of any product that fails during normal use of this product in its intended manner and in its intended environment. Inoperability of the product or part(s) shall be determined by the warranty provider. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover damage or defect caused by misuse, neglect, accident, alteration, abuse, improper installation or maintenance. EXCEPT AS PROVIDED HEREIN, THE WARRANTY PROVIDER MAKES NEITHER ANY EXPRESS WARRANTIES NOR ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This warranty provides you with specific legal rights, and you may also have additional rights that vary from state to state.

To obtain warranty coverage, contact the BOLT Customer Service Department to obtain a return merchandise authorization ("RMA") number, and return the defective product to BOLT along with the RMA number and proof of purchase. Shipment of the defective product is at the purchaser's own risk and expense.

For more information or to arrange service, visit www.boltflashes.com or call Customer Service at 212-594-2353.
