

Catalyst Impact Protection case for Samsung Galaxy S9

PRODUCT DESCRIPTION

Catalyst are globally renowned for creating innovative, waterproof and drop proof cases for your Apple devices. Now, we bring our award-winning design skills and market leading cases to protect the Samsung Galaxy S9.

The Catalyst Impact Protection Case for Samsung Galaxy S9 has the signature features that Catalyst are recognized for: a grippy rubber bumper, lanyard attachment and clear case back to show off your Galaxy S9 phone and is compatible with Wireless Charging. The slim, protective case 100% fits the Galaxy S9 screen profile and has added impact protection from our innovative truss cushioning system combined with a proprietary rubber polymer blend to increase the drop protection up to 3m (9.9ft)*. The exposed screen allows for direct touchscreen access and the open ports give unobstructed access to the headphone and charging ports. The rear camera is sealed and protected to keep out dust and debris and the sloped rubber seal provides easy and smooth access to the fingerprint sensor. The Catalyst Impact Protection Case for Samsung Galaxy S9 is easy to put on and take off that it provides ideal everyday protection that doesn't overshadow the Galaxy S9's stylish design.
