

HERO7 BLACK

LIMITED
EDITION
Dusk White

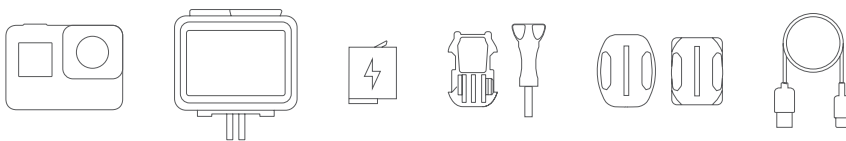

UPC Code:	818279023626
Model Number:	CHDXH-702

Freakishly smooth footage. Smart-capture superpowers. Battle-tested and waterproof without a housing. This is HERO7 Black, the most advanced GoPro ever. With HyperSmooth stabilization, you'll get gimbal-like video—without the gimbal. A new intelligent photo mode delivers the best, most brilliant images automatically. And now with live streaming and the GoPro app, you can share every amazing moment as you live it. HERO7 Black takes GoPro performance—and your photos and videos—to a whole new level.

What's Included

FEATURES + BENEFITS

HyperSmooth Video Stabilization

Get gimbal like stabilization—without the gimbal. HERO7 Black corrects for camera shake to deliver insanely smooth footage.

TimeWarp Video

Capture super stabilized time lapse videos while you move about a scene. Increase the speed up to 30x to turn longer activities into shareable moments

Live Streaming

Share your story as you live it with video streaming to Facebook Live, YouTube™ and more.¹ You can save your streamed videos to your SD card in high resolution.

SuperPhoto

Get the best photos automatically. With SuperPhoto, HERO7 Black intelligently applies HDR, local tone mapping or noise reduction to optimize your shots.

Rugged + Waterproof

Share experiences you can't capture with your phone. HERO7 Black is rugged, waterproof without a housing to 33ft (10m) and up for any adventure.

Voice Control

Stay in the moment. Control your HERO7 Black hands-free with voice commands like "GoPro, take a photo" and "GoPro, start recording."

4K60 Video + 12MP Photos

HERO7 Black shoots stunning 4K60 video and 12MP photos that are as awesome as the moments themselves.

8x Slo-Mo Video

With ultra high frame rate 1080p240 video, you can slow things down by up to 8x to relive funny, interesting or epic moments in all their glory.

Intuitive Touch Screen

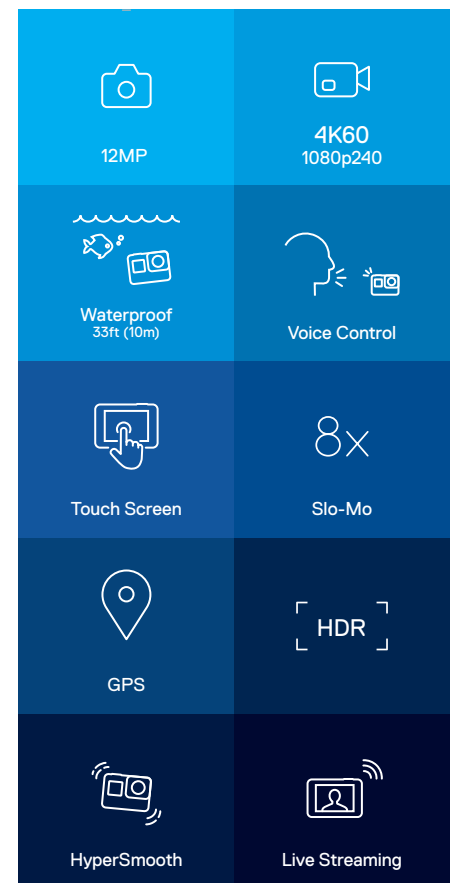

If you have a smartphone, using HERO7 Black will feel familiar. Three main capture modes with streamlined settings make navigating easy.

Face, Smile + Scene Detection

HERO7 Black knows when you face the camera, smile and more. The GoPro app uses those details to handpick your best shots and create amazing videos.

Shoot Vertically

Capture photos and videos in portrait orientation—perfect for your Snapchat and Instagram Stories.

Don't forget to download
the GoPro app.

FEATURES + BENEFITS

Photo Timer

Jump in there. A photo timer makes it easy to grab a GoPro selfie or group shot with your whole crew in the frame.

Touch Zoom

Get closer to the action. Perfectly frame your photos and videos just by touching the screen.²

Short Clips

Capture 15 or 30 second video clips that are just the right length for sharing.

Auto Transfer to Your Phone

Go from shoot to share just like that. Your photos and videos move right to the GoPro app so you can post, text, Tweet or Snapchat them fast.³

Share Right to Your Instagram Story

Add to your Story straight from the GoPro app—and share all those wet, sandy or snowy adventures you just wouldn't capture with your phone.

GPS Performance Stickers

Track your speed, distance and more. Add stickers to your videos in the GoPro app to show off how fast, far and high you went as the action unfolds.⁴

QuikStories Enabled

HERO7 Black automatically sends your footage to the GoPro app where it transforms into a fun, shareable video with music and effects.⁵

Auto Backup to the Cloud

Free up space. With a GoPro Plus subscription, you can back up unlimited original quality photos and videos right to the cloud.⁶

Advanced Noise Suppression

HERO7 Black actively filters out wind, vibration and handling noise for crisper, clearer audio quality.

RAW Photos

Capture RAW photos for the highest quality and most flexibility in advanced photo editing.

HEVC Video

Save space on your SD card. Use High Efficiency Video Compression (HEVC) to cut large files to about half their size without losing any image quality.

Fast-Charging Ready

Don't miss out. With the Supercharger power adapter (sold separately), you can charge up fast and get back out there.

Compatible With GoPro Accessories

Wear it. Mount it. Love it. Over 30 compatible accessories help you get unique perspectives and capture your life in a creative new way.

Footnotes

¹Stream video directly to Facebook Live, YouTube or other platforms using an RTMP URL. Facebook app and account required. YouTube account required.

²Touch zoom is available for photos and select video modes only.

³Your camera must be connected to the GoPro app for automatic transfer. Videos, time lapse videos and single photos transfer automatically; burst photos can be transferred manually.

⁴You must enable GPS on your camera to add GPS performance stickers to your videos in the GoPro app.

⁵QuikStories requires the GoPro and Quik mobile apps, available free for iOS® and Android™.

⁶GoPro Plus is a subscription service available in select territories. Cancel anytime.
