

Cylinder Omni Softbox

INSTRUCTIONS

Overview

COL-1212

COL-BOW

COL-CYL

COL-1212

For the Luxli Timpani and Other 1×1 Light Fixtures

Preparing the Light Fixture

If the fixture has height adjustment knobs, raise fixture's height so it sits above the bottom of the yoke.

Some 1 × 1 fixtures have two sets of side knobs for tilt and height adjustment. Adjust the height so the tilt knobs are in the middle of the fixture. This will make it easier to fit the softbox onto it.

Attaching the Softbox

1. Align the COL-1212 so the straps are on the side of the fixture.
2. Open the adjustable corners.

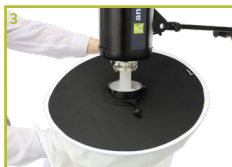

3. Spread the flaps open, and fit the opening of the COL-1212 on the fixture. Make sure the black inner border rests on the front of the light.
4. Secure the straps by stretching them across the back of the fixture and attaching them to the touch-connect strips on the opposite side.
5. Fold the flaps over the corners of the fixture and secure them with the touch-connect strips.

COL-BOW

For Light Fixtures with Bowens Accessory Mounts

1. Remove the reflector from the Bowens mount.
2. Open the zipper at the bottom of the cylinder, and insert the reflector through the opening.
3. Attach the reflector to the light. The reflector will hold the cylinder in place.

COL-CYL

For Round LED Light Fixtures

1. Align the cylinder so the notches are on the sides of the fixture.
2. Fit the opening of the cylinder over the fixture.
3. Secure the straps to the touch-connect pads.

Shaping the Light

Removing the Bottom Diffuser

Unzip and remove the bottom panel to allow the light to shine directly down without diffusion.

Attaching the Skirt to the Cylinder

The Angler COL-CYLSK reversible skirt (sold separately) limits light spread on one side of the cylinder.

Use the included clips to attach the skirt to the top and bottom rims of the cylinder.

Warnings

- ▶ Please read and follow these instructions, and keep this manual in a safe place.
- ▶ For use only with LED fixtures.
- ▶ Use caution when unfolding this product. Unfold in an area large enough to accommodate the full size of the cylinder.
- ▶ Do not unfold around breakable objects.
- ▶ Do not machine wash.
- ▶ All photos are for illustrative purposes only.

One-Year Limited Warranty

This Angler product is warranted to the original purchaser to be free from defects in materials and workmanship under normal consumer use for a period of one (1) year from the original purchase date or thirty (30) days after replacement, whichever occurs later. The warranty provider's responsibility with respect to this limited warranty shall be limited solely to repair or replacement, at the provider's discretion, of any product that fails during normal use of this product in its intended manner and in its intended environment. Inoperability of the product or part(s) shall be determined by the warranty provider. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover damage or defect caused by misuse, neglect, accident, alteration, abuse, improper installation or maintenance. EXCEPT AS PROVIDED HEREIN, THE WARRANTY PROVIDER MAKES NEITHER ANY EXPRESS WARRANTIES NOR ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This warranty provides you with specific legal rights, and you may also have additional rights that vary from state to state.

To obtain warranty coverage, contact the Angler Customer Service Department to obtain a return merchandise authorization ("RMA") number, and return the defective product to Angler along with the RMA number and proof of purchase. Shipment of the defective product is at the purchaser's own risk and expense.
