Be Ready "Before The Moment"™

Specifically designed for Mirrorless gear with premium materials and quality construction

Fits a standard or gripped Mirrorless body

Converts into a daypack

Professional camera bags and laptop cases designed in California.

Product Description:

Specifically designed for Mirrorless gear, this is a pack like no other.

With the same timeless look and feel of our Urban Disguise Classic series, the Urban Approach 15 backpack offers plenty of space and protection. Quickly grab your Mirrorless camera gear and accessories without sacrificing storage—even holds a 15" laptop, up to a 10" tablet, smart phone and extra space to maximize gear or configure personal items. The backpack blends in to any environment with low-contrast and matte black appearance. Zippers open wide for complete, unencumbered access to gear. Feel confident that your compact camera and personal objects are cradled, safe and at the ready.

Key Features:

- **Specifically designed for Mirrorless gear** with premium materials and quality construction.
