Get the most out of your phone, by setting up your Samsung account.
You can sign in to an existing Samsung account, create an account, or sign up with an existing Google account.

Once your account is set up, you can
- Set up your wallet with Samsung Pay
- Set up repair calls
- Back up your phone
- Restore your phone and more

Visit Samsung.com/us/support/account for more information.

About your phone

Insert a SIM/microSD card
1. Use the tool to open the SIM card tray.
2. Place the SIM card and optional microSD™ card (sold separately) into the tray with the cold contacts facing down.

Call 1.888.SAMSUNG for support.

Tips and help
Emergency Alerts

1. From the home screen, swipe up for apps.
2. Tap Messages > Options > Settings > Emergency alert settings.
3. Tap Emergency alerts to turn alerts on/off.
4. You can also customize other features.

As a safety precaution, local government send alerts to phones in case of an emergency situation. You can customize this feature.

Don't lose a thing

Whether you are coming from an iOS or Android platform, you can easily transfer your data with Smart Switch.

1. From your new Galaxy device, tap Settings > Accounts and backup > Smart Switch.
2. Tap Receive data.
3. Tap Cable (Android) or Wireless (Android and iOS) and follow the prompts to connect your phones.

Samsung Smart Switch

Back up your old phone

Backup your old phone using your favorite backup apps.

Customize

Tap Settings to customize your phone.
