- A. HDMI Port
- B. USB-C Connector
- C. USB-C to USB-A Adapter

# Installation

1. Power on your host (e.g. laptop) and connect the USB-C Connector to the host.
2. If your laptop only has a USB-A interface, connect the (included) USB-C to USB-A adapter between the host and the USB-C Host connector.
3. Connect your HDMI source device to the GUV301 HDMI port\*\*.
4. Please download and install stream software from “Stream Software Support list” to enable recording or streaming function for GUV301.

\*\*GUV301 cannot display or capture HDCP protected content
