

Reversing the V-Mount Plate Orientation

Depending on how the plate attaches to your camera cage or cheese plate, you may need to reverse the V-mount plate so the V-mount will be in the upright position.

To reverse the V-mount plate, follow these steps:

- 1 Use a Phillips screwdriver to remove the four mounting screws.
- 2 Reverse the cage plate's orientation, and replace the screws until tight.

Caution:

Avoid mounting the V-mount battery upside down. It can slip out of the V-mount.

The V-mount plate can attach to the cage plate only along its length, as pictured. Do not attempt to attach the V-mount plate across the width of the cage plate.

Loosen only the mounting screws. Do not loosen any of the other screws on the V-mount plate.

One-Year Limited Warranty

This Watson Pro product is warranted to the original purchaser to be free from defects in materials and workmanship under normal consumer use for a period of one (1) year from the original purchase date or thirty (30) days after replacement, whichever occurs later. The warranty provider's responsibility with respect to this limited warranty shall be limited solely to repair or replacement, at the provider's discretion, of any product that fails during normal use of this product in its intended manner and in its intended environment. Inoperability of the product or part(s) shall be determined by the warranty provider. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover damage or defect caused by misuse, neglect, accident, alteration, abuse, improper installation or maintenance. EXCEPT AS PROVIDED HEREIN, THE WARRANTY PROVIDER MAKES NEITHER ANY EXPRESS WARRANTIES NOR ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This warranty provides you with specific legal rights, and you may also have additional rights that vary from state to state. To obtain warranty coverage, contact the Watson Pro Customer Service Department to obtain a return merchandise authorization ("RMA") number, and return the defective product to Watson Pro along with the RMA number and proof of purchase. Shipment of the defective product is at the purchaser's own risk and expense. For more information or to arrange service, visit www.poweredbywatson.com or call Customer Service at 212-594-2353.
