- 2.4 GHz USB adapter
- Mini-USB to USB charging cable
- 3.5 mm 4-pole cable
- 3.5 mm audio/Mic splitter adapter
- Quick Start Guide

Safety Guidelines

- If your device does not work properly and troubleshooting does not work, unplug the device and contact the ASUS Service Center for assistance. DO NOT attempt to service or fix the device yourself.
- DO NOT disassemble the device as doing so will void its warranty.
- Keep the device away from liquid, humidity or moisture. Operate the device only within the specific temperature range of 0°C (32°F) to 40°C (104°F). When the device exceeds the maximum temperature, unplug or switch off the device to let it cool down.

Battery care

- Do not disassemble or remove the battery. Doing so may cause harm or physical injury.
- Follow the warning labels for your personal safety.
- Risk of explosion if battery is replaced by an incorrect type.
- Do not throw the battery in fire.
- Stop using the device if there is battery leakage.
- The battery and its components must be recycled or disposed properly.
- Keep the battery and other small components out of children's reach.

Proper disposal

DO NOT throw this product in municipal waste. This product has been designed to enable proper reuse of parts and recycling. The symbol of the crossed out wheeled bin indicates that the product (electrical, electronic equipment and mercury-containing button cell battery) should not be placed in municipal waste. Check local regulations for disposal of electronic products.

DO NOT throw the battery in municipal waste. The symbol of the crossed out wheeled bin indicates that the battery should not be placed in municipal waste.

Device Layout

- | | |
|----------------------------------|-----------------------|
| 1. Strix Wireless Gaming Headset | 5. Volume down button |
| 2. Detachable microphone boom | 6. Power button |
| 3. Volume up button | 7. Pairing button |
| 4. Microphone mute/unmute button | |

Connecting your computer

1. Connect your wireless USB adapter to your computer's USB port.
2. On your wireless USB adapter, press and hold the pairing button until the LED starts flashing rapidly.
3. On your Strix wireless headset, press and hold the power button until the LED starts flashing rapidly.
4. The LED on your Strix wireless headset turns to solid light, indicating that the pairing process is completed.

Connecting your mobile device

Connect the 3.5mm 4-pole connector to your Strix wireless headset and mobile device.

NOTE: When connecting your Strix wireless headset to your mobile device:

- You do not need to power on your Strix wireless headset.
- The volume up/down buttons are not available.

Strix Sonic Studio Overview

Strix Sonic Studio comes with advanced sound algorithms and virtual surround effects to enhance your gaming and entertainment experience.
