The Premium Locking Floor from CTA Digital makes any office, retail store or grocery store entrance a lot cleaner and safer for its customers. The heavy-duty and secured Dual Enclosure ensemble protects your tablet from theft with a lock and key while simultaneously serving two customers. The enclosure is designed to allow full access to your tablet's charge ports and front camera while foam pads make the enclosure virtually universal for any 9-11" tablets. The metal bracket strategically placed in between the enclosures is a must have for any business. It fits and keeps in place any of the market's soap and hand sanitizer's bottles by using two adjustable Velcro straps. Standing at 48 inches tall, this heavy-duty floor stand is ADA compliant, offers the option for customization through front and back slots and boasts a weighted base equipped with slip and scratch resistant padding.
