

Security Carrying Case with Anti-Theft Cable for iPad Air 2 and iPad Pro 9.7

Security Carrying Case with Anti-Theft Cable

This sleek, portable enclosure offers exceptional functionality and security for your iPad, making it an invaluable accessory for tradeshows, conference rooms, classrooms, restaurants, and doctor's offices. Your tablet stays protected with the included K-slot style galvanized steel anti-theft cable, which attaches easily to any permanent fixture and unlocks with a set of keys. The tough ABS case features openings for all cameras, ports, and jacks, while a rugged outer silicone jacket offers impact protection. Constructed with portability in mind, this case even includes an attachable padded hand-grip for comfortable carrying, plus an adjustable shoulder strap.
