

OP/TECH USA[®] HOOD HAT[™] Sizing Chart

1. When Printing this chart, make sure that Adobe[®] Reader[®]'s "Size Options" is set to "Actual size".
After printing the chart use a ruler to check the accuracy of your print's scale (inches or cm).
2. Place the largest opening of your lens hood along the baseline to see which size Hood Hat[™] will best fit it.
3. If the diameter of the lens hood falls close to one of the printed lines, choose the smaller size Hood Hat[™].
