

## LED-803HD

This adaptable small screen LED backlit monitor is ideal for use in security surveillance and professional AV environments where space can be limited and continuous use is often required.

### Benefits

- LED backlight: brighter picture using less power
- Anti-glare coating provides enhanced display
- Always-on capability when power is applied
- Multiple source connections
- Built-in speakers
- Durable metal case
- Remote control for easy access

### Accessories

- DC-1500: Factory approved car cord
- HM-401: Under-cabinet hinge mount
- WM-32: Wall mount bracket (fixed/tilting)
- WM-302: Wall mount with 4-way adjustable swing arm
