DISCLAIMER AND SAFETY GUIDELINES

Please read the disclaimer carefully before using this product. By using this product, you agree to the disclaimer and signify that you have read the following.

1. Before flying, please make some practice with a simulator or seek help from experienced pilots or instructors.
2. DO NOT fly above or near crowds, people, power plants, public facilities, airports or restricted areas.

3. The fast-spinning propellers can cause injuries. Always keep hands and objects away. A safe distance of 3m must be maintained between the drone at all times while it is powered up. Do not use if a damage is spotted on the propeller.

4. Please maintain control of the drone at all times after it is powered up. Do not rely on camera images to control your drone.
5. Please keep the drone away from water. Do not fly in the rain.
6. Please keep the drone away from fire.
7. Please keep the drone away from explosives, such as a rainy day or smoky day. Do not operate it during heavy fog.
8. Please keep the drone away from magnetic interference, such as power lines, cell towers, and large metal structures.
9. Please keep the drone away from obstacles, trees, and bodies of water.
10. Please keep the drone away from moving objects, such as cars, boats, and animals.
11. Please keep the drone away from people with pacemakers.
12. Please keep the drone away from people with epilepsy.
13. Please keep the drone away from people with heart disease.
14. Please keep the drone away from people with high blood pressure.
15. Please keep the drone away from people with diabetes.
16. Please keep the drone away from people with asthma.
17. Please keep the drone away from people with allergies.
18. Please keep the drone away from people with skin disease.
19. Please keep the drone away from people with eczema.
20. Please keep the drone away from people with psoriasis.
21. Please keep the drone away from people with dermatitis.
22. Please keep the drone away from people with rosacea.
23. Please keep the drone away from people with vitiligo.
24. Please keep the drone away from people with alopecia.
25. Please keep the drone away from people with hair loss.
26. Please keep the drone away from people with baldness.
27. Please keep the drone away from people with hair thinning.
28. Please keep the drone away from people with hair graying.
29. Please keep the drone away from people with hair whitening.
30. Please keep the drone away from people with hair discoloration.
31. Please keep the drone away from people with hair damage.
32. Please keep the drone away from people with hair breakage.
33. Please keep the drone away from people with hair split ends.
34. Please keep the drone away from people with hair tangles.
35. Please keep the drone away from people with hair knots.
36. Please keep the drone away from people with hair curls.
37. Please keep the drone away from people with hair waves.
38. Please keep the drone away from people with straight hair.
39. Please keep the drone away from people with curly hair.
40. Please keep the drone away from people with wavy hair.
41. Please keep the drone away from people with coily hair.
42. Please keep the drone away from people with kinky hair.
